

BlueFit Website PRD

1. PRODUCT OVERVIEW & OBJECTIVES

1.1 Objective

Build a **modern, cinematic, and responsive website** for Blue Fit (Lent), inspired by the **Blue Zones philosophy**, emphasizing:

- **Bewegen** (Movement)
 - **Gezonde voeding** (Nutrition)
 - **Purpose** (Zingeving)
 - **Community** (Verbinding)
-

1.2 Product Vision

The website acts as a **digital storefront + experience platform** that:

- **Attracts new members**
 - Primary focus: drive users to **Proefweek (free trial)**
 - **Supports existing members**
 - Clear access via **Inloggen (external portal)**
 - **Clearly communicates**
 - Fitness offerings
 - Group classes
 - External services (PT, Nutrition, Massage)
-

1.3 Target Audience

- General fitness users (functional, cardio, smart equipment)
- Seniors 55+ (Blue Icons)

- Parents with children (Blue Stars)
 - Pregnant/postpartum women (Mama Flow)
-

1.4 Architecture Principle

The platform uses a **hybrid routing model**:

- **Homepage** → SPA-style scroll experience
 - **Core offerings** → dedicated routes
 - **External systems** → handled outside the website
-

1.5 🎨 Design Authority & Flexibility

This PRD defines:

- Structure
- UX
- Components

But **NOT final UI styling**

Builder Constraints

- Use modern, minimal UI
 - Keep components modular
 - Avoid rigid design
-

Core Rule

Structure is fixed. UI is flexible.

2. 🎨 DESIGN SYSTEM & UI THEME

2.1 Color Palette (MANDATORY)

Primary

- **Ocean Blue**
 - CTAs
 - Active states
 - Highlights

Backgrounds

- **Pearl White**
- **Light Sky Blue** (*sky-50*, *sky-100*)

Text

- High contrast:
 - *sky-950*
 - dark charcoal

2.2 Typography

- Font: Inter / Roboto / Montserrat
- Strict scale:
 - H1 / H2 / H3 / Body / Small

2.3 Component Styling

- Rounded corners
- Subtle shadows
- Smooth hover transitions
- Generous spacing

3. NAVIGATION & ROUTING

3.1 Navigation Bar (MANDATORY)

Home
